HOUSE BILL No. 1378

A BILL FOR AN ACT to amend the Indiana Code concerning insurance.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 27-8-5-3 IS AMENDED TO READ AS FOLLOWS
2 [EFFECTIVE JULY 1, 2007]: Sec. 3. (a) Except as provided in
3 subsection (c), each policy delivered or issued for delivery to any
4 person in this state shall contain the provisions specified in this
5 subsection in the words in which the same appear in this section.
6 However, the insurer may, at its option, substitute for one (1) or more
7 of the provisions corresponding provisions of different wording
8 approved by the commissioner that are in each instance no less
9 favorable in any respect to the insured or the beneficiary. The
10 provisions shall be preceded individually by the caption appearing in
11 this subsection or, at the option of the insurer, by appropriate individual
12 or group captions or subcaptions as the commissioner may approve.
13 (1) A provision as follows: ENTIRE CONTRACT; CHANGES:
14 This policy, including the endorsements and the attached papers, if any,
15 constitutes the entire contract of insurance. No change in this policy
16 shall be valid until approved by an executive officer of the insurer and

insurance producer has authority to change this policy or to waive any of its provisions.

(2) A provision as follows: TIME LIMIT ON CERTAIN DEFENSES: (A) After two (2) years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two (2) year period.

The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy of denial of a claim during such initial two (2) year period, nor to limit the application of subsection (b), (1), (2), (3), (4), and (5) in the event of misstatement with respect to age or occupation or other insurance.

A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium:

(1) until at least age fifty (50); or

(2) in the case of a policy issued after forty-four (44) years of age, for at least five (5) years from its date of issue;

may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE": After this policy has been in force for a period of two (2) years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.

(B) No claim for loss incurred or disability (as defined in the policy) commencing after two (2) years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the effective date of coverage of this policy.

(3) A provision as follows: GRACE PERIOD: A grace period of (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

A policy in which the insurer reserves the right to refuse renewal shall have, at the beginning of the above provision: "Unless not less than thirty (30) days prior to the premium due date the insurer has delivered to the insured or has mailed to the insured's last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been

C

accepted."

Each policy in which the insurer reserves the right to refuse renewal on an individual basis shall provide, in substance, in a provision of the policy, in an endorsement on the policy, or in a rider attached to the policy, that subject to the right to terminate the policy upon non-payment of premium when due, such right to refuse renewal shall not be exercised before the renewal date occurring on, or after and nearest, each anniversary, or in the case of lapse and reinstatement at the renewal date occurring on, or after and nearest, each anniversary of the last reinstatement, and that any refusal or renewal shall be without prejudice to any claim originating while the policy is in force. The preceding sentence shall not apply to accident insurance only policies.

(4) A provision as follows: REINSTATEMENT: If any renewal premium is not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy. Provided, that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten (10) days after such date. In all other respects the insured and insurer shall have the same rights as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums:

- (1) until at least fifty (50) years of age; or
- (2) in the case of a policy issued after forty-four (44) years of age, for at least five (5) years from its date of issue.

(5) A provision as follows: NOTICE OF CLAIM: Written notice of claim must be given to the insurer within twenty (20) days after the

C

1 occurrence or commencement of any loss covered by the policy, or as
 2 soon thereafter as is reasonably possible. Notice given by or on behalf
 3 of the insured or the beneficiary to the insurer at _____ (insert the
 4 location of such office as the insurer may designate for the purpose), or
 5 to any authorized agent of the insurer, with information sufficient to
 6 identify the insured, shall be deemed notice to the insurer.

7 In a policy providing a loss-of-time benefit which may be payable
 8 for at least two (2) years, an insurer may insert the following between
 9 the first and second sentences of the above provision:

10 Subject to the qualifications set forth below, if the insured suffers
 11 loss of time on account of disability for which indemnity may be
 12 payable for at least two (2) years, the insured shall, at least once in
 13 every six (6) months after having given notice of claim, give to the
 14 insurer notice of continuance of said disability, except in the event of
 15 legal incapacity. The period of six (6) months following any filing of
 16 proof by the insured or any payment by the insurer on account of such
 17 claim or any denial of liability in whole or in part by the insurer shall
 18 be excluded in applying this provision. Delay in the giving of such
 19 notice shall not impair the insurer's right to any indemnity which would
 20 otherwise have accrued during the period of six (6) months preceding
 21 the date on which such notice is actually given.

22 (6) A provision as follows: CLAIM FORMS: The insurer, upon
 23 receipt of a notice of claim, will furnish to the claimant such forms as
 24 are usually furnished by it for filing proofs of loss. If such forms are not
 25 furnished within fifteen (15) days after the giving of such notice, the
 26 claimant shall be deemed to have complied with the requirements of
 27 this policy as to proof of loss upon submitting, within the time fixed in
 28 the policy for filing proofs of loss, written proof covering the
 29 occurrence, the character, and the extent of the loss for which claim is
 30 made.

31 (7) A provision as follows: PROOFS OF LOSS: Written proof of
 32 loss must be furnished to the insurer at its said office in case of claim
 33 for loss for which this policy provides any periodic payment contingent
 34 upon continuing loss within ninety (90) days after the termination of
 35 the period for which the insurer is liable and in case of claim for any
 36 other loss within ninety (90) days after the date of such loss. Failure to
 37 furnish such proof within the time required shall not invalidate nor
 38 reduce any claim if it was not reasonably possible to give proof within
 39 such time, provided such proof is furnished as soon as reasonably
 40 possible and in no event, except in the absence of legal capacity, later
 41 than one (1) year from the time proof is otherwise required.

42 (8) A provision as follows: TIME OF PAYMENT OF CLAIMS:

C

Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid:

- (1) immediately upon receipt of due written proof of such loss; or
- (2) in accordance with IC 27-8-5.7;

whichever is more favorable to the policyholder. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid _____ (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof. This provision must reflect compliance with IC 27-8-5.7.

(9) A provision as follows: PAYMENT OF CLAIMS: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding \$ _____ (insert an amount which shall not exceed \$1,000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.

For the purposes of this section a "minor" is a person under the age of eighteen (18) years. A person eighteen (18) years of age or over is competent, insofar as the person's age is concerned, to sign a valid release.

(10) A provision as follows: PHYSICAL EXAMINATIONS AND AUTOPSY: The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

(11) A provision as follows: LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

(12) A provision as follows: CHANGE OF BENEFICIARY: Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.

(13) A provision as follows: GUARANTEED RENEWABILITY: In compliance with the federal Health Insurance Portability and Accountability Act of 1996 (P.L.104-191), renewability is guaranteed.

(b) Except as provided in subsection (c), no policy delivered or issued for delivery to any person in Indiana shall contain provisions respecting the matters set forth below unless the provisions are in the words in which the provisions appear in this section. However, the insurer may use, instead of any provision, a corresponding provision of different wording approved by the commissioner which is not less favorable in any respect to the insured or the beneficiary. Any substitute provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by appropriate individual or group captions or subcaptions as the commissioner may approve.

(1) A provision as follows: CHANGE OF OCCUPATION: If the insured be injured or contract sickness after having changed the insured's occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes the

**C
o
p

insured's occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.

(2) A provision as follows: MISSTATEMENT OF AGE: If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

(3) A provision as follows: OTHER INSURANCE IN THIS INSURER: If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured are in force concurrently herewith, making the aggregate indemnity for _____ (insert type of coverage or coverages) in excess of \$ _____ (insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to the insured's estate. Or, instead of that provision: Insurance effective at any one (1) time on the insured under a like policy or policies, in this insurer is limited to the one (1) such policy elected by the insured, the insured's beneficiary or the insured's estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

(4) A provision as follows: INSURANCE WITH OTHER INSURER: If there is other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all

C
o
p
y

valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro-rata portion of the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

If the foregoing policy provision is included in a policy which also contains the next following policy provision there shall be added to the caption of the foregoing provision the phrase "EXPENSE INCURRED BENEFITS". The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any worker's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage".

(5) A provision as follows: INSURANCE WITH OTHER INSURERS: If there is other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and for the return of such portion of the premium paid as shall exceed the pro-rata portion for the indemnities thus determined. If the foregoing policy provision is included in a policy which also contains the next preceding policy provision, there shall be added to the caption of the foregoing provision the phrase "-OTHER BENEFITS".

The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage to the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any worker's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage".

(6) A provision as follows: RELATION OF EARNINGS TO INSURANCE: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or the insured's average monthly earnings for the period of two (2) years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two (2) years as shall exceed the pro rata amount of the premiums for the benefits actually paid; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of two hundred dollars (\$200) or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums:

- (1) until at least fifty (50) years of age; or
- (2) in the case of a policy issued after forty-four (44) years of age,

**C
o
p
y**

for at least five (5) years from its date of issue.

The insurer may, at its option, include in this provision a definition of "valid loss of time coverage", approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner or any combination of such coverages. In the absence of such definition the term shall not include any coverage provided for the insured pursuant to any compulsory benefit statute (including any worker's compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.

(7) A provision as follows: UNPAID PREMIUM: Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

(8) A provision as follows: CONFORMITY WITH STATE STATUTES: Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

(9) A provision as follows: ILLEGAL OCCUPATION: The insurer shall not be liable for any loss to which a contributing cause was the insured's commission of or attempt to commit a felony or to which a contributing cause was the insured's being engaged in an illegal occupation.

(10) **If the policy does not provide coverage for hospital, medical, or surgical expenses,** a provision as follows: INTOXICANTS AND NARCOTICS: The insurer shall not be liable for any loss sustained or contracted in consequence of the insured's being intoxicated or under the influence of any narcotic unless administered on the advice of a physician.

(c) If any provision of this section is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy the insurer, with the approval of the commissioner, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(d) The provisions which are the subject of subsections (a) and (b), or any corresponding provisions which are used in lieu thereof in

C
o
p
y

1 accordance with such subsections, shall be printed in the consecutive
 2 order of the provisions in such subsections or, at the option of the
 3 insurer, any such provision may appear as a unit in any part of the
 4 policy, with other provisions to which it may be logically related,
 5 provided the resulting policy shall not be in whole or in part
 6 unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a
 7 person to whom the policy is offered, delivered, or issued.

8 (e) "Insured", as used in this chapter, shall not be construed as
 9 preventing a person other than the insured with a proper insurable
 10 interest from making application for and owning a policy covering the
 11 insured or from being entitled under such a policy to any indemnities,
 12 benefits, and rights provided therein.

13 (f)(1) Any policy of a foreign or alien insurer, when delivered or
 14 issued for delivery to any person in this state, may contain any
 15 provision which is not less favorable to the insured or the beneficiary
 16 than is provided in this chapter and which is prescribed or required by
 17 the law of the state under which the insurer is organized.

18 (f)(2) Any policy of a domestic insurer may, when issued for
 19 delivery in any other state or country, contain any provision permitted
 20 or required by the laws of such other state or country.

21 (g) The commissioner may make reasonable rules under IC 4-22-2
 22 concerning the procedure for the filing or submission of policies
 23 subject to this chapter as are necessary, proper, or advisable to the
 24 administration of this chapter. This provision shall not abridge any
 25 other authority granted the commissioner by law.

26 SECTION 2. IC 27-8-5-28 IS ADDED TO THE INDIANA CODE
 27 AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY
 28 1, 2007]: **Sec. 28. A policy of accident and sickness insurance that:**

29 (1) **is issued on an individual, a group, a blanket, or a**

33 **may not contain a provision excluding or limiting the insurer's**
 34 **liability under the policy for a loss sustained or contracted in**
 35 **consequence of an insured's intoxication or use of a narcotic.**

36 SECTION 3. [EFFECTIVE JULY 1, 2007] IC 27-8-5-3, as
 37 amended by this act, and IC 27-8-5-28, as added by this act, apply
